

Certificate of Data Sanitization

Issued by ZeroLeaks Secure Wipe Tool

Operation Summary

Certificate ID:	7f6cac85-74e2-468d-82b6-ea10e5b0b114
Timestamp (UTC):	2025-09-21 10:05:24
Target Type:	File
Target Path:	X:\\IMG-20250724-WA0002[1].jpg
Sanitization Standard:	None
Status:	Completed Successfully
Verified By:	Newuser

Declaration

This document certifies that the digital data previously stored on the target specified above has been sanitized in accordance with the selected standard. The process overwrites the data to ensure that recovery of the original information is infeasible using standard laboratory techniques.
